

ADPICS INTER-AGENCY VOUCHER PROCESS

When the Release 98-1 ADPICS Inter-Agency Voucher (IAV) Process was moved to production on Saturday, March 28, 1998, some users' ADPICS security, screen 7600 department authorization field, was set to all asterisks. These users' 7600 screens were corrected last night.

The ADPICS Inter-Agency Voucher Process is not available to users at this time. The R*STARS Inter-Agency Voucher Process is still available. MAIN staff are working on a software change to the ADPICS IAV process.
